

Compact all-round functionality

An all-in-one solution for small offices

The quantity of documents you process every day may not be large. Nevertheless, you require the same level of functionality that a larger office needs. You print, copy, scan and fax. Designed for your convenience, the SP 1100S/SP 1100SF combine all these functions in a compact frame. Attractively priced and easy to operate, these devices are ready to tackle your entire workflow.

- High productivity (20 ppm).
- Compact all-rounder.
- Low Total Cost of Ownership.
- Scan to USB.
- Fast business faxing (SP 1100SF).

Streamline your office workflow

BE PRODUCTIVE

The SP 1100S/SP 1100SF never keep you waiting. The systems start up quickly: the first print is out after only 13 seconds. They continue at a speed of 20 pages per minute. With all-in-one cartridges, replaceable with one hand, maintenance is minimal.

SAVE COSTS

A typical multifunctional device spends a lot of time in standby mode. It consumes energy while not in use. With their short warm-up times, the SP 1100S/SP 1100SF quickly switch to Energy Saver mode. The devices then consume as little as 10 W (SP 1100SF: 12 W), significantly lowering your electricity bill.

BE EFFICIENT

- Digitise your workflow for efficient storage and distribution.
- Enjoy high-quality colour scanning at 600 dpi.
- Distribute documents smartly by scanning directly to a USB device.

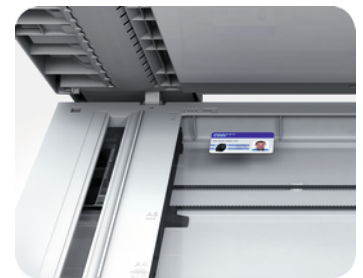

COMMUNICATE QUICKLY (SP 1100SF)

- Transmit your fax messages in a quick 2.5 seconds.
- Never miss a message: 125-page storage memory.

ENJOY EXTRAS

- Manual duplex copying is standard.
- Photocopy both sides of an ID card with ease.
- Enlarge and reduce documents to fit on your paper stock.
- Exercise your brain with 400 Sudoku grids (4 levels).

THINK GREEN

Nashuatec products are designed to be environment-friendly at every stage of their life. Our low-energy toner production methods are unique. Quick Start-up technology results in optimised use of the energy saver mode. The SP 1100S/SP 1100SF's power consumption is low, and operation is clean and quiet. Save paper with their manual duplex print function.

SP 1100s/SP 1100sF Aficio™

PRINTER

Print speed:	20 prints per minute (A4)
First print speed:	13 seconds
Printer language:	GDI
Resolution:	600 dpi
Interface:	USB 2.0
Memory:	16 MB
Supported environments:	Windows® 2000 SP4/XP/Vista/Server 2003

COPIER

Copying process:	Laser beam scanning & electro-photographic printing with dry, mono-component toner development
Copy speed:	20 copies per minute
Resolution:	600 dpi
Multiple copy:	Up to 99
Warm-up time:	Less than 21 seconds
First copy speed:	13 seconds
Zoom:	25 - 400% (in 1% steps)
Memory:	32 MB (shared)
Paper input capacity:	Standard: 1 x 250-sheet paper tray 1-sheet bypass tray Maximum: 251 sheets
ADF capacity:	50 sheets (SP 1100SF only)
Paper output capacity:	50 sheets face down
Paper size:	Paper trays: A5 - A4 Bypass tray: A5/A6 - A4
Paper weight:	Paper trays: 60 - 105 g/m ² Bypass tray: 52 - 162 g/m ²
Duplexing:	Yes (manual)
Dimensions (W x D x H):	447 x 386 x 344/412 mm
Weight:	11.6/13 kg
Power source:	220 - 240 V, 50 - 60 Hz
Power consumption:	Maximum: 900 W Energy saver mode: 10/12 W Standby mode: 33/35 W

SCANNER

Scan speed:	Full colour: 7.9 seconds B/W: 3.5 seconds
Resolution:	Full colour: 600 x 300 dpi (via ADF), 600 x 600 dpi (flatbed scanning) B/W: 600 x 200 dpi (via ADF), 600 x 600 dpi (flatbed scanning)
Original size:	A4
Bundled drivers:	TWAIN

FAX

Circuit:	PSTN, PABX
Compatibility:	ITU, G3
Modem speed:	Maximum: 33.6 Kbps
Compression method:	MH, MR, MMR, JBIG
Speed dial:	250 locations
One-touch dial:	20 locations
Memory capacity:	2 MB (125 pages)

CONSUMABLES

Toner:	Short yield: 2,200 pages* Long yield: 4,000 pages*
--------	---

The SP 1100S/SP 1100SF ship with a 1,500-sheet starter kit.
* IEC24712 declared chart, ISO/IEC 19752 colour measurement.
